

ADVANTAGE PROGRAM

- Established in **1967**- B.C. owned and operated family business.
- **Cambridge has re-piped over 325 buildings** totalling approximately 16,000 suites.
- We offer a complete **design, engineering & installation service** including **restoration of all finishes**, eliminating the need to work with multiple contractors.
- A pre-construction letter and **informational meeting** is provided to each resident explaining the re-piping process.
- Suite Entry and Water Shutdown notices are prepared and distributed by Cambridge.
 - We employ a full time staff of approximately 45 people.
 - **Security**, all of our staff are subject to an extensive criminal background check.
 - Each project has a **Site Supervisor who dedicates all his/her time to your building.**
 - The Site Supervisor is attainable by cellular phone and pager for management and residents.
 - All Cambridge staff (plumbers, drywallers, insulators, painters, etc.) are payroll employees, not subcontractors.
 - All Cambridge plumbers are ticketed **Journeyman or indentured Apprentices.**
 - Each employee wears a company uniform with the Cambridge name and logo on it. Each employee has a clean appearance and acts in a professional manner at all times.
 - Each employee cleans during and after his or her work and uses drop sheets and plastic sheeting to protect the floor finishes, furniture, etc. We use a vacuum assisted wall cutting and sanding method that is virtually dust free.
 - A complete **thorough cleaning** of common corridors, stairwells, etc., is performed upon completion.
- We use WIRSBO AQUAPEX® tubing in all our projects. It has a **25 year Manufacturer Guarantee.**
- We provide a **24-hour service** to repair the existing and new water pipe system. This service is included for no extra cost.
- Finally, our reputation. Our company has an excellent reputation for being **organized, professional** and providing **quality workmanship on schedule** and on **budget** since 1967.

Invest in our experience.
